The 13th CTI-CFF SENIOR OFFICIALS' MEETING (SOM-13)

**29 – 30 November 2017
Dusit Thani Manila Hotel
Makati City, Philippines**

**Adopted on 29 November 2017
by
the Governments of Indonesia, Malaysia, Papua New Guinea,
the Philippines, Solomon Islands, and Timor-Leste**

I. Background

In the 12th Senior Officials' Meeting on November 1-2, 2016 in Port Moresby, Papua New Guinea, we acknowledged the progress made by the member countries in the implementation of their respective National Plan of Actions (NPOA) and the effort of some states to update their NPOA. We also noted the need for some member countries to review and finalize their financial structure to support the implementation of their respective NPOAs and called on partners to extend assistance to complete this task and also to provide technical assistance to effectively implement programs and activities on the areas of seascapes, EAFM and threatened species.

Given the above-mentioned points, the different countries continued their initiatives and reviewed their NPOAs.

II. Decision

Referring to the discussion and consideration among the SOM-13 on session of CTI-CFF Country Report Presentations, the Senior Officials hereby:

1. Acknowledged the activities and efforts of Indonesia, Malaysia, Papua New Guinea, Philippines, Solomon Islands, and Timor-Leste towards achieving the goals of their NPOAs (*Attachments 7.a – 7.f*);
2. Encouraged those member parties who have not revisited their NPOAs to review and update the action plans;
3. Recognized the differences among the CT6 in terms of capacities and expertise on the areas of climate change, threatened species and EAFM, thus encouraged the more advanced Member Parties to share their knowledge and expertise through regional exchanges and trainings; and
4. Tasked the Regional Secretariat to compile and publish the country reports upon clearance of the respective NCCs.
