

## Maritime LGN Vision

Resourced, innovative , informed and effective network of local governments and affiliates

## Mission/Strategic Purpose

A network of local government champions identified and empowered to promote and implement the goals of the Coral Triangle Initiative on Coral Reefs, Fisheries and Food Security (CTI-CFF) at the community level through collaboration and partnership

## Goal Statement

By 2025, LGN is collaboratively promoting, developing and managing projects, policies and action agendas that:  
 (1) protect, manage and improve the health of coastal and marine ecosystems; and  
 (2) strengthens the socio-economic conditions of coastal communities in the Coral Triangle Region

STRATEGIC OBJECTIVES		Build Capacities in Collaboration with Strategic Partners and Network Members		Strengthen Stakeholder Engagement	Develop/Enhance Policies and Action Agendas	
CORE STRATEGIES	PROGRAMMATIC	Identify and collaborate with a pool of experts based on program's focus	Enhance capacities through technical trainings/workshops, exchange visits and learning forums	Document and share good practices	Raise awareness and improve stakeholder participation	Ensure alignment of local policies to National and Regional Plan of Actions
	ORGANIZATIONAL	Build, strengthen and expand strategic partnerships and network membership	Strengthen management and organizational (human resource and technical) capacities and systems	Create a website with sharing platform and discussion forum capabilities	Design and implement a communications and campaign strategy	Create database for relevant policies and action agendas
SUPPORT STRATEGIES	FINANCIAL	Develop and implement Financial Sustainability Plan and Resource Mobilization Strategy	Strengthen Financial System and Policies	Actively seek and apply for grants	Cultivate a Private Sector Partnership for Grants to Community Projects	Explore and agree on membership contribution or support options (financial and non-financial support)

National Targets and Plan of Action
