Ocean Witness

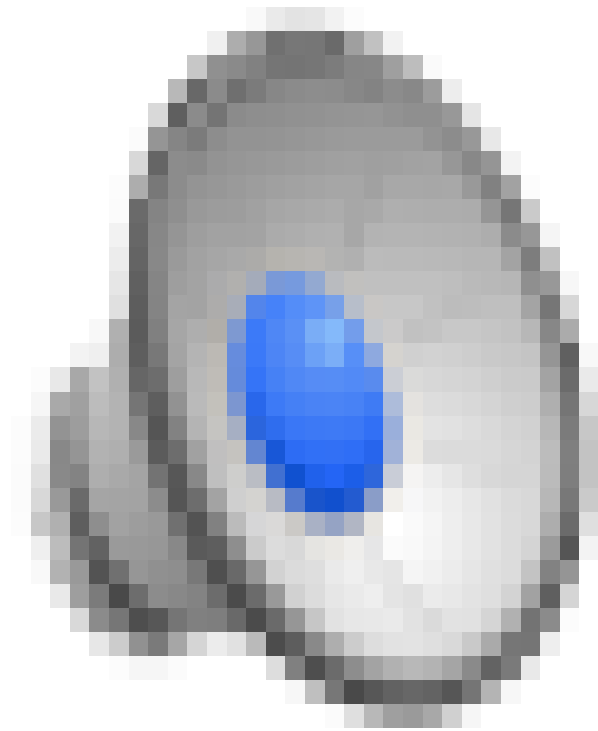

- Ocean Witness **gives a voice to the individuals** in this positive global movement.
- **A collection of real stories told by real people: Ocean Witnesses** - men and women who are dedicated to the preservation of oceans, all in their own unique way.
- Aim - to **create awareness for both problems as well as solutions.**
- By **sharing inspiring and real stories from real people** we hope to make problems and solutions more tangible – both for policy makers and the wider public.
- Ocean Witness - an initiative of Conservation International, Rare, WWF as part of the [MPA Action Agenda](https://www.mpaaction.org/) (<https://www.mpaaction.org/>)

Create more leaders...

USAID – DOI –CTI WLF Intergenerational Learning Program by CTC

- Aims to pass on knowledge from senior marine conservation women leaders in the six Coral Triangle countries who will serve as mentors to a younger generation of early career women who show both potential and interest in developing leadership qualities;
- Build a cadre of next generation young women leaders from the Coral Triangle countries who are empowered to lead marine conservation programs in support of the CTI-CFF goals, and beyond;
- Support development of CTI-CFF Gender Policy;
- One-year program funded by USAID RDMA implemented by USDOI-ITAP and CTC in collaboration with CTI-CFF RS, NCCs, USAID Oceans Partnership

WLF 2018 Workplan

1. Develop TORs for WLF Ambassador & Chair
2. Update & upgrade WLF member directory
