## CTI-CFF Local Government Network

### RECOMMENDATIONS

Hugua, Chairman, Indonesia

# The Roles of Local Governments in CTI-CFF

- There are three (3) Authorities :
  - Global Authority (UN) / Regional (CTI) = Global / Regional Policy and Network
  - National Authority = National Policy and Regulation
  - Local Authority (autonomy) : Political commitment (**local Budget**) and execute program/project at grass root level
- The Important of Local Authority is as the place of :
  1. Natural Resources
  2. Community
  3. Local Indigenous Leader

Poverty, flood, slums, hunger, Biodiversity destructive and other social problem directly face to face (100%) with Local Authority

# The Roles of Local Governments in CTI-CFF

- Therefore Local Government (municipality based) is a **backbone** in their respective countries in implementing the NPOA at the grass root level (**real local budget and political program/political**)
- CTI-CFF LGN is the only media to encourage Local Authorities within CTI Countries to direct implement the CTI-CFF program at grass root level above
