MR. WIDI AGOES PRATIKTO, PH.D.

Executive Director
CTI-CFF Regional Secretariat
Manado, Indonesia

Subject: Endorsing the 3rd CT Fishers Forum Activity Report and the Tuna Governance Workshop Activity Report for circulation

Dear Mr. Pratikto,

Greetings from Honiara!

On behalf of the Ecosystem Approach to Fisheries Management (EAFM) Technical Working Group members and the organizers of the third Coral Triangle Fishers Forum and the Tuna Governance Workshop, I am pleased to endorse the activity reports of these two (2) regional activities which were held respectively last July 4-6 and July 7, 2017 in Iloilo City, Philippines.

I have reviewed the reports and found the contents to be in order. May I request the CTI Regional Secretariat to circulate this report to all concerned. Attached is a signed transmittal letter to go with the report when it is circulated.

Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Masu'.
