SOM7 – Attachment 5-1 SCTR Updates Page 1 of 7

SCTR Updates

- **Malaysia – preparing for writeshop end November or early December; NCC is working with SCTR facilitator**
- Indonesia – Road Map for writing planned; decree signed identifying contributors ; SCTR has been looked upon as a structure for the KM system and feedback mechanism for the various TWGs
- **PNG – two writeshops already conducted; eager group of PNG scientists / writers**

SOM7 – Attachment 5-1 SCTR Updates Page 2 of 7

SCTR Updates

- Philippines preparing for write-shop Nov 16-18 ; preliminary draft available
- Solomon Islands working draft to be ready by December
- Timor Leste ably handled by Knowledge Integrator

SCTR updates

- enhanced outline with guide questions
- provision of reference materials to country teams
- coordinated with USCTI program on printing of hard copies
- coordinated with USCTI program on support to writing of Regional SCTR
- coordinated with organizers of the International Coral Reef Symposium and Australian Ministry of Foreign Affairs for Launching in July 2012, Cairns

SOM Recommendations

- acknowledge efforts made by countries in the preparation of the SCTR
- support the road map
- institutionalize the process for SCTR preparation at the country and regional level
- pave the way for the review process by the Science Advisory Committee
- support the pre conference activity in ICRS, July 2012
