Ms. Abbie Trinidad
Team Leader ADB RETA 7307

Origins of the concept of the HLFRT

SOM 4, October 2009

Decision #3 “AGREE to the organisation of a High Level Roundtable on CTI-CFF Financial Resources”

Financial Road Map for the CTI

- CT6 government presentations.
 - present the early steps being taken to implement CTI action plans,
 - present a draft of the *Region-wide CTI Financial Resources Strategy*, with initial information on funding needs and priorities for the investment phase of CTI implementation – at the regional level and for each country.
- Donor agency presentations.
 - To provide an opportunity for donor agencies to present their existing funding programs, and to outline their views regarding the preliminary draft of the *Region-wide CTI Financial Resources Strategy*.

Main Objective of the HLFRT

Provide a venue for countries to generate additional funding for the implementation of the NPOAs, RPOA and Regional Secretariat, and for the donors to communicate their funding priorities.
