Dear Distinguished Representatives,

Let me first express my gratitude to all of you all for the continued support and cooperation extended to the CTI-CFF Regional Secretariat particularly on the Monitoring and Evaluation Working Group including the work on the Coral Triangle Atlas.

On behalf of the Regional Secretariat, I am pleased to invite the Monitoring and Evaluation Working Group members and CT Atlas members to the first online preparatory meeting for the calendar year 2025. We anticipate the MEWG and CT Atlas respective Focal Points, Alternate Focal Points, and NCC representatives to participate in this very important meeting.
